HUNGARY RELEASE A JUDAICA RELATED STAMP ISSUE
Thanks to a fellow member for the following information:

Hungary has issued a commemorative sheet to celebrate the 50th Anniversary of the Olympic Games in Melbourne, Australia, which took place in 1956.
On this sheet are depicted many of the stars of the Hungarian team, but one young Jewish star, stands out. She is Agnes Keleti (now Klein) who survived the Holocaust, and now lives in Israel. She went on to win 10 medals for Hungary in Gymnastics. She appears on the bottom right hand side of the sheet.

EL SALVADOR NEW ISSUE

On 29th May 2008 El Salvador issued a Judaica related stamp. It was a 10c value commemorating the 60th Anniversary of Israel. 2 months after the stamp issue, I have still not seen the design of the stamp.
ANOTHER JUDAICA RELATED ISSUE FROM FRANCE.

Apologies for the delay in informing you on the following French issue, but I have only just been made aware of it.  
22\textsuperscript{nd} October 2007 saw the release of a stamp commemorating Guy Moquet, (1924 – 1941).  
The stamp depicts a portrait of the Jewish Communist, who denounced the Occupation and was shot, aged 17 \( \frac{1}{2} \), on 22\textsuperscript{nd} October 1941 with 26 other hostages at Chateaubriant prison camp.
